Completion of A, B, and C is required: (Please be specific, but concise.)

A. 1. Specific action requested: (Example: To increase the number of credit hours for ABC 100 from 1 to 2.)
Change BIO 835 to BIO 535/735

A. 2. Effective date: (Example: Fall 2001)
Fall 2008

A. 3. Effective date of suspended programs for currently enrolled students: (if applicable)
N/A

B. The justification for this action:

As a lab-based course in microbiology, the number of graduate students available to take Pathogenic Microbiology (BIO 835) is limited and the course has not been taught in 3 years. Converting it to a 500/700 course will allow undergraduates interested in the medical field to experience a course devoted to medically important microorganisms. This new course will fill that need.

C. The projected cost (or savings) of this proposal is as follows:

Personnel Impact:
Course would be taught by current microbiology faculty.

Operating Expenses Impact:
Course expenses would come from current microbiology budget and student lab fees.

Equipment/Physical Facility Needs:
No impact.

Library Resources:

No impact.
